Installing kitchens in CM1,CM2,CM3,CM4,CM5,CM6,CM7,CM8,CM9,CO1,CO2,CO3,CO4,CO5,CO6,CO8 & CO9

Many homeowners overlook how crucial the fitting team is to achieving a high-quality finish

Beautiful kitchens can be ruined by poor installations

As independent fitters we install kitchens sold by any

high-street or local kitchen retailer.

- Experienced professionals guaranteed

- Efficient project management
- Competitive pricing
- Abundant previous work and reviews - Installations guaranteed for 5 years

(more than or equal to most retailer installation services)

Investing in a new kitchen deserves precision craftsmanship and

a reliable installation team

Dedicated to Detail

Installing gorgeous kitchens for 20+ years

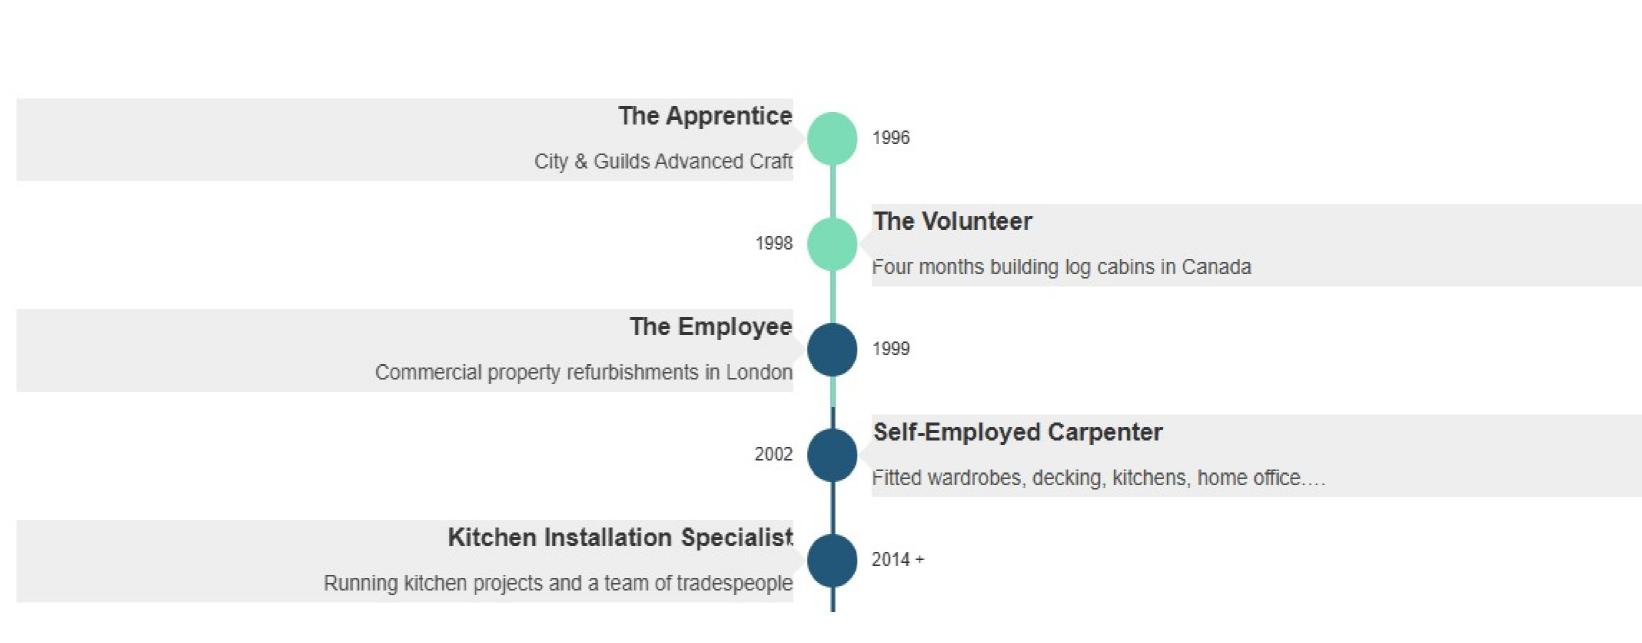

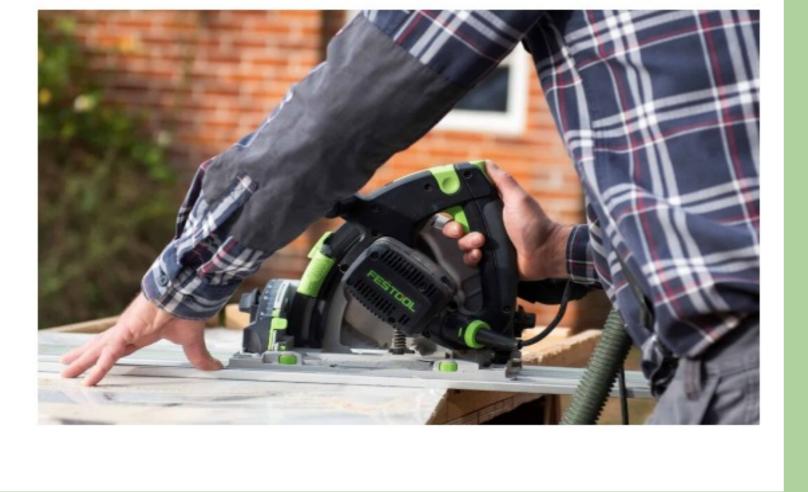

" Many homeowners struggle to find reliable and skilled kitchen installers.

With a Carpenters eye for detail, and a long career in the trade, every kitchen is installed with precision and pride."

- Dale O'Connor, Business Founder

A bit of background

Today I oversee every installation and am your point of contact throughout the project. I believe open communication with my clients and team are key to keeping projects on track.

Everyone deserves a stress-free journey to a new kitchen. It's a significant investment in your home and needs a team you can rely on.

✓ Refined Process

✓ Attention to detail

Supporting Homeowners on their new kitchen journey

move forward towards your dream kitchen

Whatever stage you are at, we can help you

Researching

Browsing and

budget. You research styles, materials, and appliances. Maybe you've sat with a kitchen designer or used online tools, to create a layout and design ideas.

You're defining your needs, preferences, and

HOW WE HELP:Obtain up to 3 quotes on your behalf, saving

- · Review existing designs to ensure space
- and functionality are maximised
 Survey your existing services for any
- alterations needed

 Check your measurements

you time in 3 showrooms

and buying

Choosing

worktops, appliances, and fixtures. You're finalising the budget, placing orders and scheduling an installation date.

Here you're confirming specific materials, styles,

· Itemised competitive quote for installation

HOW WE HELP:

- Discounted quotes from Trade retailers
- (Wren, Howdens, Wickes)Scheduling of Tradespeople and
- sequencing tasks
- · General support & guidance

Finalising and installing

All the tradespeople are scheduled, the old kitchen is removed and your new kitchen comes to life along with finishing touches.

Finally you're ready for your kitchen installation..

· Oversee all the tradespeople

HOW WE HELP:

- · Manage the schedule
 - Manage the schedule
 Problem solve any unforeseen events
 - Quality control ensuring all work is a high

A stunning kitchen you'll enjoy for years

Transform your kitchen in 3 steps

1. Consultation

An initial conversation to see where you are at and how we can help. We'll arrange a home visit to measure-up and survey of services.

- → Advice & guidance on anything kitchen related
- Arrange design services or review your existing design
- → Site survey for accurate measurements and review of existing services

2. Quotation

need to complete your kitchen.

You'll get a thorough breakdown of costs covering everything you

- → A competitive installation fee
- Preparation/Supplementary costs as needed (electrics, gas, plumber, plasterer, tiler etc)

→ Up to 3 quotes from kitchen suppliers, with Trade discount where appropriate

Once you've paid a deposit we'll book in the installation and

3. Installation

organise all the moving parts to bring your kitchen to life.

- A day by day schedule provided in advance Removal and disposal of your old kitchen
- Construction of your new kitchen

Previous Transformations

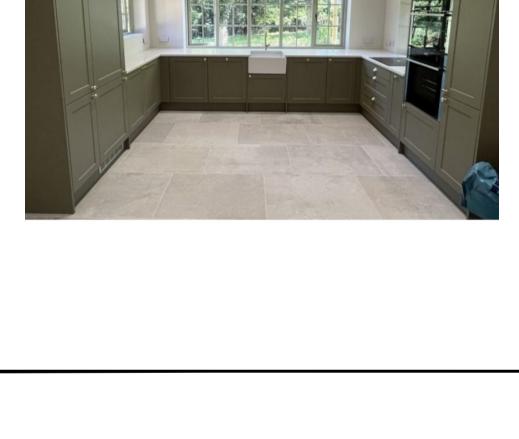

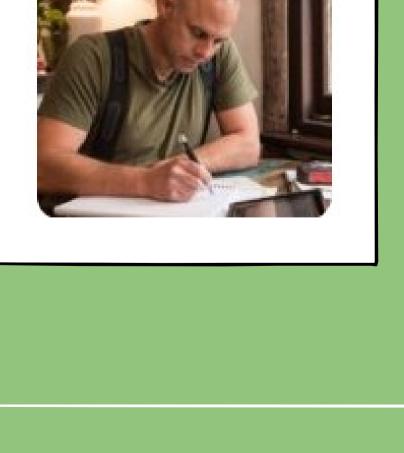

it all begins with a conversation

Let's talk about your kitchen, answer your questions and help you move forward.

Whether you're ready to arrange an installation, just

want advice on where to start, or anywhere in between -
